Britannica Learning Zone For PreK-2

Play, discover, create - these are the cornerstones of learning for young children. Encyclopædia Britannica now provides teachers with an online solution designed specifically for the needs of grades PreK-2. Learning Zone is a classroom-tested, interactive learning environment that allows early learners to engage in enjoyable and developmentally appropriate activities to help grow their minds, their spirits and their intellectual horizons.

An All-in-one Resource

Two age-appropriate encyclopedias plus multiple reference tools make Britannica Online School Edition PreK-8 a time-saving tool for research.
